900 Third Avenue
New York, N.Y. 10022

Dear Dr. McAllister:

I have the pleasure of being Chairman of the Gordon Research Conference on Proteolytic Enzymes and Inhibitors to be held June 13-17, 1988 at the Holderness School, Plymouth, New Hampshire. I know of the Council's previous interest and support of this biannual conference that has been an outstanding international forum for investigators in this important field.

I would like to ask the Council to aid in the support of travel expenses for some of our speakers from academic institutions. A grant of \$2500 would be most helpful. I am enclosing the schedule of the Conference and look forward to a favorable reply. The check should be made to "Gordon Research Conference on Proteolytic Enzymes."

Thank you so much for your support.

Sincerely yours,

Peter C. Harpel, M.D.
Professor of Medicine
Chairperson, Gordon Conference on
Proteolytic Enzymes and Inhibitors
